

WATER PLANS

Plan	Number Of Litres	Regular Price	Water Plan Price	Savings*	Cost of 18L Fill	Cost Per Litre
1.	1,000	\$200	\$150	\$50	\$2.70	15¢
2.	500	\$100	\$80	\$20	\$2.88	16¢
3.	240	\$48	\$40	\$8	\$3.00	17¢
4.	110	\$22	\$20	\$2	\$3.27	18¢
Senior 65	200	\$40	\$30	\$10	\$2.70	15¢

* Savings Based on Regular Price of \$3.60 per 18L Fill (20¢ Litre)

How it Works

1. Upon purchase, a water plan account is set up in your name.
2. As you pick up water, your account will be reduced by the litres taken.
3. There is no time limit on using up your water account.
4. Litres can be transferred from your water account to your Water Vending Card for 24 hour outside vending, or use at any Crystal Clear Purified Water Dispenser Location.
