

Crystal ChlorStop

Enjoy spa-like, chlorine-free water

- Filtered, chlorine-free water at every faucet
- Bath or shower without a swimming pool odour
- Soft skin without itching
- Protects laundry from premature fading
- Protects softener, appliances and fixtures

What makes the Crystal ChlorStop Superior?

A full cubic foot of Calgon™ aspirated carbon coupled with a distribution media results in better water and longer carbon life.

- Effectively Reduces Chloramines
- Wastes No Water
- Reliable, Non Electric
- More Effective than Mixed Beds
- Handles High Flow Rates
